About

Padmaja is a proficient legal practitioner with extensive and diverse experience of over 13 years in corporate commercial laws and dispute resolution, specializing in commercial litigation, arbitration, white collar crime, employment disputes, insolvency and pre-dispute advisory.

Padmaja has been advising and representing Indian and multinational clients, spanning multiple sectors on their disputes before various fora, including the High Courts, district courts, tribunals across the country as well as the Supreme Court of India. A significant part of her practice deals with disputes between shareholders, commercial disputes, insolvency, tortious claims, white collar crimes and employment disputes and investigations. She also regularly advises clients on the POSH Act, conducts

training sessions and is a member of the internal complaints committee constituted under the Act for various companies.

Experience

Some of the key assignments in these areas handled and being handled by Padmaja amongst others, cover the following: -

- A Gulf based Retail Company before the Bombay High Court and in arbitration before SIAC in Singapore in relation to its dispute with India's largest retail group, regarding their foreign investment and the closure of joint venture activities in India.
- One of Russia's largest operators in the production of air separation technologies and equipment against one of India's largest steel producers, in institutional arbitration proceedings before ICC, in relation to contractual disputes regarding delay and liquidated damages.
- An Indian telecom company against a well renowned software company in an arbitration proceeding under UNCITRAL Rules, involving contractual issues relating to performance of a commercial contract for supply of Information Technology services.
- A leading Indian telecom company against a ministry of the Government in arbitration proceedings under the Delhi International Arbitration Centre Rules and successfully obtained a award of USD 1 Million Dollars.
- A Norwegian telecom giant in their commercial, regulatory, shareholder disputes and dispute with various telecom vendors in the industry, in light of the 2G Judgment.
- A Japanese trading company in its dispute with a leading Indian EPC contractor, in relation to breach of non-compete and tortious claims before the Madras High Court.
- A leading global supply chain company dealing with industrial and energy products before the Vishakhapatnam Court and the Delhi High Court in relation to their contractual and tortious disputes against a renowned Indonesian coal mining company.
- An Indian robotics company in contractual and tortious disputes relating to non-compete obligations and breach of confidential information and various other disputes including employment and confidentiality issues with respect to licence agreements as well as in mediation proceedings under the aegis of the Delhi High Court.
