About

Sucheta is a part of the finance practice. She specialises in the area of banking and finance, structured finance, corporate finance and debt capital markets. She has extensive experience in financing transactions including syndicated and bilateral loan funding, corporate bond issues on a private placement basis (both listed and unlisted), structured finance and securitisation transactions (including pass through certificates, units, assets backed securities in the nature of RMBS and CMBS), insolvency and debt restructuring, transaction involving credit tranching, risk participation transactions and other limited recourse transactions.

Sucheta regularly advises banks, non-banking finance companies, financial institutions and developers on real estate financing (including those engaged in hospitality sector, retail sector and commercial sector), leverage financing and acquisitions financing.

She also provides advice to clients (including banks, mutual funds and non-banking finance companies) on financial regulatory matters.

Sucheta has been practicing since 2015. Before joining JSA, Sucheta worked for Allen & Overy, London and Cyril Amarchand Mangaldas, Mumbai.
